

The Board of Trustees of each school district shall have the following powers and duties:

- (1) Each elementary school district shall maintain at least one (1) elementary school, and each other school district one (1) elementary school and one (1) secondary school;
- (2) To employ necessary help and labor to maintain and operate the schools of the district;
- (3) To discontinue any school within the district whenever it shall find such discontinuance to be in the best interests of the district and of the pupils therein. For the purpose of this section, discontinuing a school shall mean no longer maintaining a school of any kind at the same location.
