

The schools in this district will develop a well-rounded and age-appropriate extracurricular activities program that provides opportunities for students to participate in a variety of activities which may include, but are not limited to, journalism and yearbook, music, speech and drama, and interscholastic athletics. To provide a variety of activities for students, the district will periodically assess the types of activities offered, the scheduling of facilities and activities, and the expenditure of funds.

PARENTAL PERMISSION

Students are not required to have parental permission to join extracurricular clubs but must have parental permission to participate in any athletic team. In addition, extracurricular clubs may engage in specific activities for which parental permission must be obtained prior to the student participating in the specific activity.

FEES FOR EXTRACURRICULAR ACTIVITIES

Recognizing the importance of a well-rounded activities program to the academic, social, and physical development of students, and recognizing the limited funding available for such activities, this district may require that student participants, pay a nominal fee for certain clubs and activities as indicated on the District's fee schedule and any changes to such fee schedule shall be duly publicized

Fees will be held in a dedicated fund to offset costs of operating the student activities program. Students who are unable to pay the fee may receive a full or partial waiver as determined by the superintendent or designee on a case-by-case basis.
