

Honors weighting will be awarded to all classes that are designated Honors, AP (Advanced Placement), dual credit and tech credit with the following conditions:

- Honors classes will be designated by High School faculty based on increased academic rigor and higher student expectations.
- Students in AP classes must take the AP exam to receive honors credit.
- Students in dual credit or tech prep classes must enroll in the class for college credit to receive honors credit.
- Online classes will be reviewed by High School faculty for inclusion as honors classes.
- No class being repeated may receive honors credit.

The weighted grade scale will be a simple 5 point scale with **no** additional credit for an unweighted grade of D or F.

- A = 5
- B = 4
- C = 3
- D = 1
- F = 0
