

To insure proper planning and continuity of instruction, the Board requires that each teacher prepare lesson plans for daily instruction. To facilitate more effective instruction, lesson plans must be prepared at least by the Friday prior to the week the lesson is to be taught. The format for the lesson plan will be specified by the building principal and shall be reviewed on a regular basis. The plan book must be readily available when a substitute teacher is needed.

Careful planning should precede:

1. The opening of the school year;
2. The beginning of the project; and/or
3. The daily activities that address the needs of the students.

Planning should include:

1. Statement of objectives;
2. Procedures and strategies to be used;
3. Organizational materials and instruction;
4. Materials – basic and supplementary; and
5. Evaluation of students.

Planning should be creative and challenging as well as continuous. Additionally, planning should be flexible in order to meet the needs and abilities of students.
